

American Lincoln Parts

American Lincoln Parts - Presently connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. In the industry they are known within the industry as providing durable and strong equipment that satisfies all the requirements of larger infrastructure and heavy industry. Products made in the United States of America; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery operated walk behind version of floor scrubber with the Clarke Company who is now likewise owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These scrubbers are obtainable in the market under the trade mark name "Encore". American Lincoln could provide machinery, components and warranty service for these scrubbers that have both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility managers where results and efficiency make a difference. Recently, this floor scrubber model has been used by the architects in different construction jobs like for example Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on site because of the model's utmost performance level and high standard of quality for polishing concrete.
