

Trek Parts

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over sixty years of experience successfully designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are devoted to providing top quality and new design concepts in order to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always offers fresh design ideas. They enjoy offering items that energize both their dealers and their partners and provide production gains to their customers.

The team at TREK enjoys dealing with new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' skills and requirements along with their knowledge of cleaning applications, together with owners' strong desire to significantly lessen expense through productivity gains.

When required, the staff members within TREK and its many dealer members in both parts and in technical support will be obtainable. Amongst their core values is their high service devotion in their customer service. Keeping their customers' cleaning machinery ready and running on a daily basis is top priority. The company's top of the line technology delivers dependable equipment that eventually lowers your cost of cleaning. The product, the price and the service all work as one to make them an industry leader.
