

Nissan Forklift Parts

Nissan Forklift Parts - Nissan prides itself on attaining total consumer fulfillment when their buyer is enjoying one of their many trucks, cars or lift trucks. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to providing high value and detail-oriented quality values to their customers. Incorporating a fruitful heritage combined with resilient manufacturing principals, Nissan Forklifts offer many of the best materials handling equipment the industry has to offer.

In order to meet the worldwide desires of their assorted customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to providing customer support, the company has four distinct manufacturing facilities that permit them to persistently adapt to their customers continually evolving needs by offering a range of progressive ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a staff of 350 personnel, they are devoted to the design, manufacture, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to maintain environmental accountability by using techniques and processes that limit their environmental footprint. These high standards remind clients that Nissan operates under the quality seal that their consumers insist upon whilst being an environmentally responsive corporation.

Nissan is certain that they will be capable of addressing any buyer inquiries or concerns. Always accessible through their website or by calling 800.871.LIFT, reaching one of their community authorized dealers or even traveling to their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their hospitality and dedication.
